If you are making an additional donation, using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further. This means that £10 can be turned into £12.80 just so long as donations are made through gift aid. Imagine what a difference that could make, and it doesn't cost you a thing. So if you want your donation to go further, just sign here.
